Certificate As Computer Technician

Join CIAT's Computer Technician Certificate program to learn the foundational skills required to install, configure, troubleshoot, and maintain computer systems in business environments. Earn up to 2 industry certifications that can help you land entry-level IT positions, such as Technical Support Specialist, Help Desk Technician or PC Technician. Build your confidence and learn career-ready, hands-on skills, with our unique at-home Build Your Own Computer Kit to complement your virtual class instruction and virtual labs.

Get Certified To Kickstart Your IT Career - Earn up to 2 industry certifications!

- ✓ Complimentary exam vouchers
- ✓ Unlimited exam attempts*
- ✓ Test preparation software

Your First Step To A New Career

When it comes to landing your dream job, CIAT will be there to help you every step of the way. Our Career Services team will support you with personalized career coaching, resume building, LinkedIn profile optimization, job placement assistance, and more. Plan your short-term and long-term goals with one first step. All Certificate level courses count towards your completion of an Associate or Bachelor's degree in Computer Information Systems, so that you can work towards both your new career and your degree together at your own pace.

Get help investing in your IT career with these financial aid options:

- Sallie Mae
- Credit Climb
- Flexible monthly payment plans
- Merit-based & Financial Need Scholarships
- Workforce Innovation and Opportunity Act
- Post 9/11 GI Bill® Benefits*
- Yellow Ribbon Program
- Active Duty Tuition Assistance
- Military Spouse Funding (MyCAA)
- Vocational Rehab & Employment

*Students are encouraged to take certification exams while actively enrolled in their program. Complimentary exam vouchers expire 90 days after graduation. See certification exam policy at ciat.edu or more details. Certifications or courses may change to address industry trends or improve quality. *Job title and salary information displayed are all average annual salaries sourced from payscale.com and bls.gov in 2021. They represent the most up-to-date information at time of print and are not to be construed as guarantees of employment or future earnings. *GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <https://www.benefits.va.gov/gibill>. CIAT is approved to offer VA benefits. *Financial aid is available for those who qualify.
