EARN YOUR DEGREE IN **ACCOUNTING**

Associate of Applied Science in Accounting

Program Overview

The Associate of Applied Science in Accounting offered by CIAT provides students with foundational knowledge and practical skills in accounting, finance, and business operations. The program focuses on core accounting topics such as introductory accounting, corporate finance, payroll accounting, taxation, and auditing fundamentals.

Students also build essential business skills through coursework in management principles, business communications, change management, and data analysis using spreadsheets, preparing graduates for entry-level roles in bookkeeping, financial recordkeeping, and basic financial analysis.
