

CIAT

CALIFORNIA INSTITUTE OF
APPLIED TECHNOLOGY

EARN YOUR DEGREE IN HEALTH INFORMATION TECHNOLOGY

Associate of Applied Science in Health Information Technology

Program Overview

The Associate of Applied Science in Health Information Technology offered by CIAT is designed to prepare students for entry-level careers in health information management. The program builds foundational skills in medical coding, electronic health records, healthcare data analytics, privacy and security compliance, and revenue cycle management.

Students learn to manage health records systems, ensure data integrity and regulatory compliance with HIPAA and accreditation standards, apply coding classification systems for reimbursement, calculate healthcare statistics, and support clinical and administrative decision-making using nationally recognized HIM education standards.

17 Courses

64 Credits

1-2 Years

71% Technical Courses 29% General Education Courses

Entry Requirements:

High School Diploma or GED *Transfer credits may be accepted.

Develop Transferable, Valuable Skills

CIAT's health information technology program focuses on helping students develop marketable skills including:

Your Path to Success Starts Here

Healthcare organizations need skilled health information professionals to keep patient data accurate, secure, and compliant.

At CIAT, you can earn more than just a health information technology degree: you can gain expertise, marketable skills, and in-demand industry coding knowledge that will help you stand out in today's job market. We offer flexible, live online classes that are perfect for working adults, one-on-one tutoring, unlimited access to workshops and support, and personalized career services, to help you achieve your academic and professional goals.

Our Career Services Team

Who We Are

We are a team of dedicated professionals with extensive experience in career advising and development.

Why We're Different

We offer personalized career support designed to meet your unique needs. We prioritize relationship-building and offer ongoing support at every stage of your career journey.

How We Help

We offer a wide range of services including resume writing, interview preparation, career exploration, and more.

Our Goal

To empower our students for lifelong career success by providing comprehensive support and resources for their professional development.
